Web Browsing & Search Skills

1. **Address Bar vs Search Bar:** Typing direct domain names versus using search engines safely. The padlock icon ($\mathbf{\text{padlock}}$) next to the URL address bar as a quick visual indicator for website security.
2. **Reading Comfort:** Enlarging small text instantly using Ctrl/Cmd + [+] keyboard shortcuts.
3. **Bookmark Management:** Saving daily news, health portals, and weather sites for 1-click access.
4. **Cookie Prompts & Ads:** How to recognize safe website consent prompts and dismiss intrusive pop-ups.
5. **Live Search Lab (20 mins):** Search for local community centers and save 3 key websites to bookmarks.

Gmail Setup & Inbox Management

Account Setup

Create a free Gmail address, establish memorable passphrases, and link a mobile phone number for instant account recovery.

Composing & Folders

Practice writing subject lines, managing CC/BCC, organizing emails with labels/folders, and archiving old messages.

Photos & Attachments

Learn to view and download incoming family photos securely and attach digital pictures or documents without safety risks.

Email Cyber Security & Fraud Defense

Protecting Your Inbox

Red Flags: Urgent payment requests, unverified bank alerts, or unexpected prize claims.

Verification: Hover over email sender addresses to inspect the exact sender domain before replying.

Action Rules: Never click unverified attachment links; use "Report Spam" to shield your mailbox.

Questions & Practice Session

WhatsApp Web & Mobile

Whatsapp on Smartphone & Desktop Computer
for Seamless Daily Communication, Security &
Media Management

Facilitator: Goldman Au

Date & Time: 24 Oct 2026 11:30 - 13:30

Setup Whatsapp on mobile and link to Computer (60 Mins)

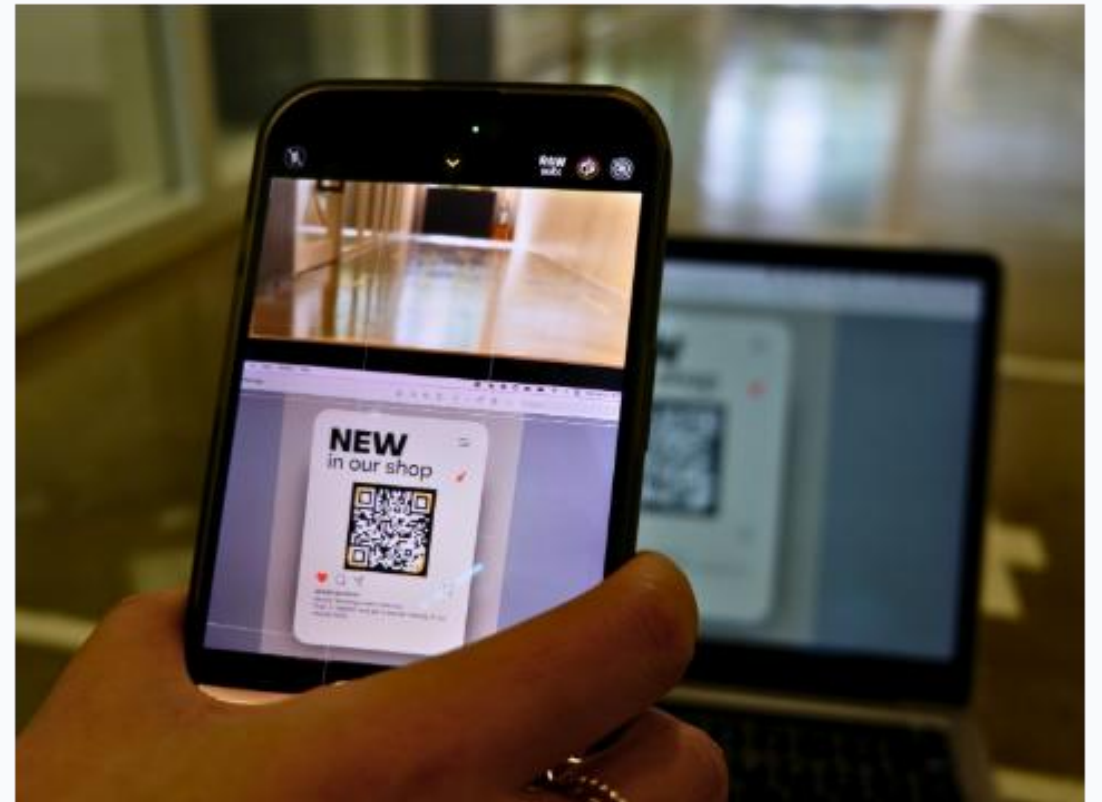

Step 1: Install and Open WhatsApp on phone > Settings > Linked Devices > Link a Device. Android users click the 3 vertical dots (top right) to find Linked Devices, whereas iPhone users tap the Settings gear (bottom right).

Step 2: Navigate to web.whatsapp.com on your computer browser.

Step 3: Point phone camera at laptop screen to scan the unique QR code.

Step 4: Enjoy comfortable typing on a full physical desktop keyboard!

20-Min Pairing Workshop: practices pairing their smartphone with their laptop with hands-on instructor assistance.

10 min Break

Voice Notes, Video Calls & Groups (30 Mins)

Voice Notes

Hold the microphone icon to record clear audio messages—eliminating typing on small touchscreen keys.

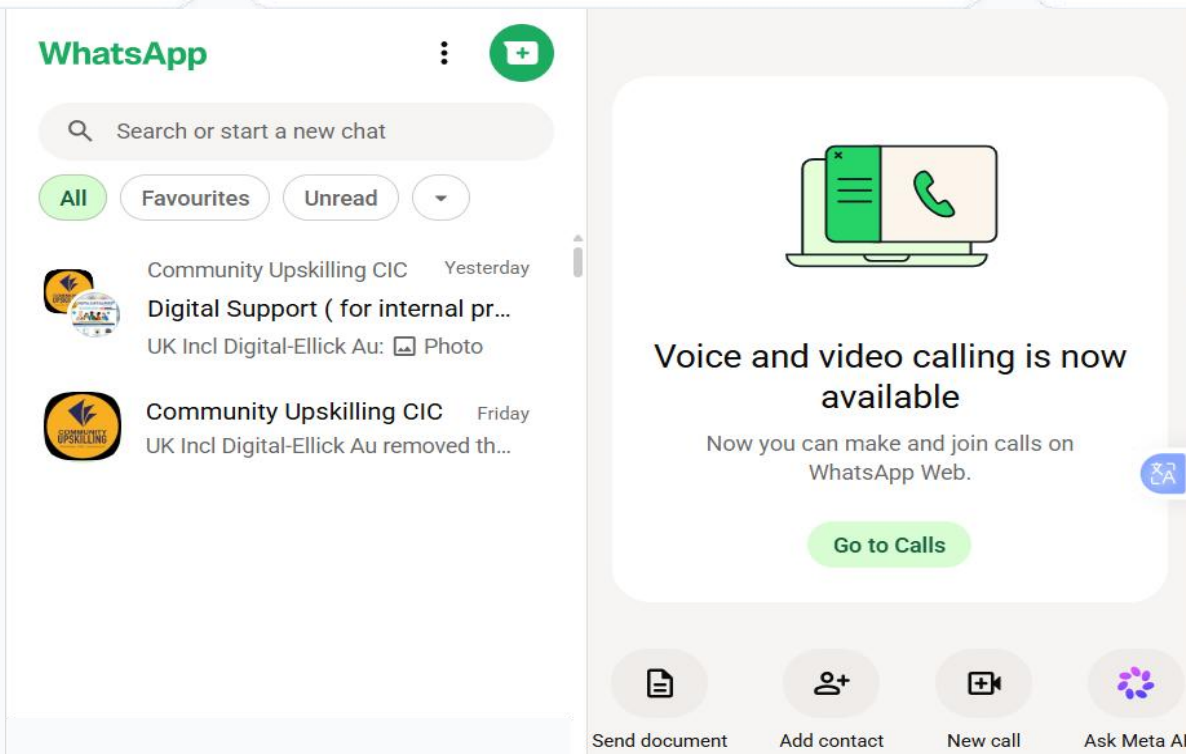

Free Video Calls

Connect face-to-face with children and grandchildren locally and abroad using phone or laptop webcams.

Group Control

Participate in family group chats while learning to mute noisy notifications for 8 hours, 1 week, or permanently.

Privacy & Storage Management

100%

Control Over Phone Storage & Privacy

Essential Mobile Cleanup & Privacy

Disable Auto-Downloads: Prevent incoming videos and photos from filling up device memory automatically.

Contact-Only Privacy: Hide profile photos, online status, and last seen from unknown phone numbers.

Storage Cleaner Tool: Review large files and clear chat media to keep your smartphone running fast.

WhatsApp Scam Defense & Mobile Safety

Recognizing Mobile Fraud (15 Mins)

"Hi Mum / Hi Dad" Scams: Fraudsters posing as family from unfamiliar numbers asking for emergency funds.

Verification Code Protection: Never share 6-digit WhatsApp SMS verification codes with anyone.

1-Tap Block & Report: Hands-on drill on blocking suspicious callers and reporting scam numbers instantly.
